Los Angeles Harbor Department

Motion Picture Filming Permit

This Permit for motion picture filming is subject to the following terms and conditions

1. Smoking and parking of automobiles, not essential to the permitted activity, on wharves or other facilities of the Harbor Department, is prohibited.
2. Premises used and/or occupied during filming procedure shall be maintained in a clean and sanitary condition. Debris shall not be allowed to accumulate and shall be promptly removed by permittee.
3. Use of property under the jurisdiction of the Harbor Department is subject to approval of the Harbor Department and/or tenant having lease control of the premises.
4. Permittee shall relieve, indemnify, protect and save harmless the City of Los Angeles, and each and every of its tenants, Boards, officers and employees, from any and all claims and liability for death of or injury to persons_ or damage to property that may arise from or be caused by the occupation or use of premises by permittee under the provisions of this Permit, or by the negligence of the permittee, its agents, officers or employees.
5. Permittee may furnish its own security services for the protection of permittee's own personal property and equipment. No armed security is permitted on Port property or pursuant to this permit.
6. Permittee agrees to hire the appropriate Los Angeles Port Police Officer(s} for the duration of filming operations. The primary duty and function of the officer is to maintain the safety and security of the port, its tenants, and users, and to ensure that filming operations are conducted safely and within the terms and conditions of the permit. Officers may be required to enforce tariff, local, or state laws and provide appropriate law enforcement assistance to the permittee during the course of their movie assignment.
7. Permittee agrees to restore premises and any alterations to Harbor Department facilities to their original condition subject to the approval of the Harbor Department.
8. Permittee agrees to obtain any other permit as may be deemed necessary by the Port Police or by other divisions or sections of the Los Angeles Harbor Department.
9. Filming not to interfere with the operations of the Port.

NOT A PERMIT

STORMWATER: Special Events Permit

ENVIRONMENTAL PERMIT CONDITIONS:

1. All necessary precautions shall be taken to prevent trash from entering the. storm drain system.
2. A map indicating the location of catch basins on the event site shall be provided to the Permittee by the Los Angeles Harbor Department (LAHD). It shall be the responsibility of the Permittee to coordinate with the LAHD's Director of Environmental Management to ensure that all catch basins on the event site are covered prior to the event or any substantial preparation of the site for the event. Catch basin covers shall not present a hazard to health or property during the event.
3. Adequate trash receptacles shall be provided by the Permittee during the special event.
4. It shall be the responsibility of the Permittee to ensure that the site is properly cleared of trash, debris, and waste following the special event. The Permittee will also ensure that catch basin covers are removed from catch basins once the event and site clean up has been completed.

FLIGHT SPECIFICS:

We will be conducting drone flights capturing footage at the Yusen Terminal from 9am-1pm. Then at TraPac capturing footage of the tugboat connection from 2pm - 5pm. Both flights on 08/10/20

All flights will conducted in an approved FAA manner following all Part 107 rules as well as in a safe manner in regards to streets, people, and all other applicable filming rules.

All crew, and participants will be briefed and activities will all take place in a safe manner where everyone is aware of the plan.

No waivers or COAs are necessary as all flights will fall under Part 107 rules. - Local ATC traffic will be monitored as an additional safety step.

Operations will be conducted in Class G airspace only

NOT A PERMIT

All operations under the requested Waiver will use one or more Visual Observers.

The UAV being used will be a small sized drone and I regularly perform extensive maintenance procedures including a full inspection prior to every flight.
-- All inspections are in accordance with the manufacture's recommendations.

Besides being a fully licensed part 107 UAV Pilot through the United States FAA, I also have extensive experience directing full-size aerials in helicopters all over the United States and in over 32 countries. I am familiar with airspace, airport operations, ATC communications, and typical FAA practices. I will be the Pilot in Command at all times.
